UNLOCK ART™

All guests checking into a Le Méridien hotel throughout the world receive room key cards that open more than just doors. Themselves works of art, they open new perspectives onto contemporary art and culture. The keys feature our UNLOCK ART™ COLLECTION 2008, presenting a truly unique collection of Le Méridien artworks.

As part of UNLOCK ART™, at each Le Méridien location we have established a partnership with a cultural institution offering our guests the opportunity to explore the contemporary art and culture of the city they are in. Our on-site staff receive training from the cultural partner, enabling them to provide expert advice in response to guests' enquiries about the cultural institution and the artist featured on the keys.

OUR UNLOCK ART™ PARTNER: SCHIRN KUNSTHALLE FRANKFURT

Our "point of discovery" and exclusive cultural partner is the distinguished gallery SCHIRN KUNSTHALLE FRANKFURT.

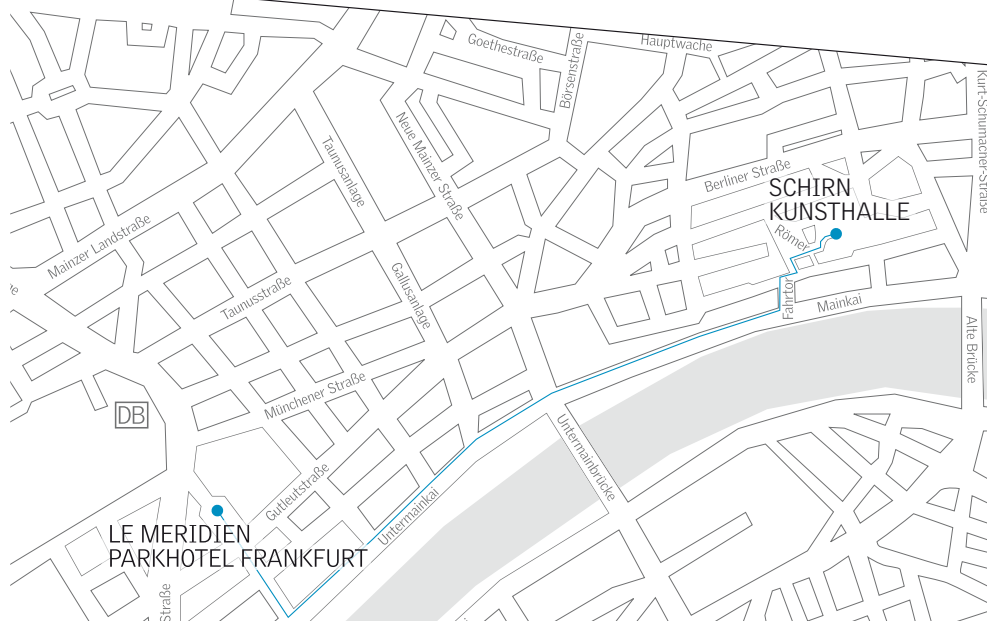

One of Europe's most renowned exhibition institutions, the SCHIRN has housed exhibitions of Expressionism, Surrealism, Viennese Art Nouveau and photography since 1986.

All Le Méridien guests receive one free entry to the current exhibition of our UNLOCK ART™ partner.

We will be happy to provide information about current exhibitions.
